Re:
Application Number: 10/533,658

Dear Assistant Commissioner:

I notice that patents are issued with the address of the first named inventor as stated in the declaration supplied at the time the application was made. There does not seem to be any method to change the address of the first named inventor printed on the letters patent before it is printed.

If the law requires that the address printed be the address at the time the application was made then this is as it should be and no action is requested. However, if the law allows the current address of the inventor to be printed on the letters patent, I would like to request that you change the address to:-

349 Kiely Boulevard
Apt. A206
San Jose, CA 95129

If necessary, I hereby declare that I am the first named inventor on the referenced application, and that my current residence address is as stated immediately above.

My correspondence address remains unchanged, and is the P.O. Box address listed at the top of this letter.

Sincerely,

Niket Keshav Patwardhan
First Named Inventor
